## **7. Highways and Village Appearance**

## **8. Questions to Chairman -**

The meeting was supposed to be the AGM. However on the night there was much confusion and it was abandoned as an AGM and became an extraordinary meeting.

Two members were not present and at the time we did not know the reason. Peter had forgotten as a family emergency came up on the day which he had to deal with so it was understandable that he was not present. Matt had understood that as he was leaving the village the previous meeting was his last and he had therefore resigned from the PC. This was misunderstood and not taken on board at the time, so it was understandable that he was not present.

There was an official complaint raised by Mike Brindsley regarding him offering his services to replace Matt. Peter was supposed to discuss this with him, as a replacement who has experience with planning has been found, but this did not happen. The complaint was upheld by the parish council members present and Peter has now been to see Mike to apologise.

The handover to Matt's replacement will now happen at the rescheduled AGM in October.
